

Enrolment Policy / Terms & Conditions

Last updated September 2021

Introduction

SignPost Communications is an external training provider, delivering courses across multiple locations to a large and diverse number of students. Whilst the specific arrangements for each course will vary, established procedures for the processing of enrolments shall be determined by this policy.

Some students will enrol for a place on one of our courses directly, whilst in other cases, the application / enrolment will be handled by their employer, professional body or a membership organisation on their behalf. We aim to process all course applications / enrolments within 48 hours, and to email new students with confirmation of places as soon as possible.

Cancellation / Withdrawal

Under distance selling regulations, after enrolling for any of our courses online, students have the option to cancel / withdraw their enrolment during a seven day cooling-off period **without** penalty. Under these circumstances, if we have already charged the student's debit / credit card or bank account, a full and unconditional refund will be made. However, following this seven day period of grace, the only sums to be refunded in the event of cancellation / withdrawal shall be those described and set out in the table below.

Applicable timescale	Amount payable
Up to four weeks before course commencement	Full refund of all fees paid, less £25 administration charge
Less than four weeks before course commencement	Refund of 75% tuition fees paid, 100% assessment fees paid
From course commencement until the first timetabled holiday	Refund of 50% tuition fees paid, 100% assessment fees paid
After the first, but before the second timetabled holiday	Refund of 25% tuition fees paid, 100% assessment fees paid
From the second timetabled holiday until course conclusion	No refund of any fees paid (tuition or assessment)

If students want to cancel / withdraw their enrolment

Notice of cancellation / withdrawal should be given **in writing**, using or quoting the same email address that was recorded at the time of enrolment, and sent as soon as possible to: contactus@signpostcommunications.uk

If SignPost Communications need to cancel / withdraw a course

In the unlikely event that SignPost Communications need to cancel a course for which a student has already enrolled, BEFORE the date of commencement, all amounts paid for that enrolment will be refunded in full. Thereafter, SignPost Communications shall only be obliged to refund on a pro-rata basis, a sum that represents the undisbursed balance of tuition and assessment fees. No further compensation shall be provided.

If students choose to pay by instalments

We reserve the right to require full payment of all outstanding sums if students breach their agreement with us. **Students should note that first payments will be requested within 24 hours of enrolment. Places on our courses cannot be confirmed until first payments have been received.** We will continue to charge future instalments to the student's registered debit / credit card or bank account on the same date of each subsequent month until the final and total amount is paid. The typical pattern of monthly instalments is illustrated by the table below (dates shown are examples only).
